**PETITION UNDER 37 C.F.R. 1.137(b) TO  
REVIVE UNINTENTIONALLY ABANDONED APPLICATION**

Applicants hereby petition to revive the subject application under the provisions of 37 C.F.R. 1.137(b). The application became abandoned on November 25, 2005 due to inadvertent and unintentional failure to file an RCE. Applicants respectfully request that the Amendment under 37 C.F.R. § 1.116 previously filed on September 29, 2005 is entered and considered. Applicants enclose a Request for Continued Examination (RCE) along with the petition fee of \$1,500.00 (Check No. 22807) as set forth in 37 C.F.R. §1.17(m).

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. §1.137(b) was unintentional. This petition is being submitted within three months of the date of abandonment and is respectfully deemed to be timely. Applicants respectfully request that this petition be granted and that the subject application be revived for consideration of the enclosed Office Action response on the merits.

In the event the actual fee is greater than the payment submitted or is inadvertently not enclosed or if any additional fee during the prosecution of this application is not paid, the Patent Office is authorized to charged the underpayment to Deposit Account No. 15-0700.

For the foregoing reasons, revival and further consideration of this application are respectfully requested.
